Mayans	P	E	R	S	I	A
Picture						
Description	This slate depicts a portrait of a Mayan ruler. Circa AD 742	This vessel contained cargo supplies for trading.	This Mayan god of Maize shows that the Mayans were connected with religion.	This pipe depicts a noble smoking showing that only a few in the society could afford luxuries.	This stone tablet depicts both architectural and literate design.	This is an ink palette and shows that the Mayans were actively involved in the arts.
