

# **ACTIVATE 2012**

Advancing Computing and Technology Interest and innoVAtion through Teacher Education

**Application Form - deadline: June 7, 2012**

Seating is limited and applications will be reviewed on a first come, first served basis. Since these workshops are part of an NSF research study aimed at high school teachers, you must teach some students in grades 9, 10, 11 or 12 to be eligible. Applications cannot be fully reviewed until all required documentation is received. Each workshop is open to new participants only; if you did not attend one of the ACTIVATE workshops previously, you may register for that workshop.

Participants will be asked to complete various surveys during and after the workshops as part of an NSF research study.
