Swartz Center for Entrepreneurship

CORPSTM
NSF Innovation Corps

Looking to jumpstart your business idea?

Applications are now open to join the Fall 2019 NSF Innovation Corps customer discovery training program!

Teams are open to CMU faculty, staff, students and recent alumni working on projects in a STEM discipline. Benefits of the program include:

- Reimbursement for up to \$2,500 in eligible customer discovery expenses;
- Workshops led by our startup experts;
- Become part of the Project Olympus incubator;
- Access to a dedicated mentor to help hone your business idea;
- Priority opportunities to showcase your venture at events like Olympus Show & Tell;
- Interaction with investors and industry; and
- NSF lineage and eligibility to apply for an I-Corps National Teams \$50,000 grant award.
