Passage: [Passage 124] Passage Highlighter:

Abstract Code: 01525
Headline: POSSIBILITY OF SALE TO ISRAEL
Date: 1 April 1982
Bibliography: NUCLEAR NEWS, April 1982, PP.62,64
Orig. Src.:

Abstract:

As **indicated** by French President Francois Mitterand during his visit to Israel March 1982, France is prepared to **discuss** supply of its nuclear reactors to Israel. The article **makes** reference to the Israeli heavy water research reactor **supplied** by the French 20-odd years ago.
