# TECH TALK & RESUME WORKSHOP

Come join us for a Data Science tech talk and Resume Workshop from our Civis team! We'll be going over what we do, examples of our work, and will have a recruiter onsite to provide resume & interview tips and tricks!

**WEDNESDAY SEPTEMBER 13th**

**4:30 P.M –6 P.M.**

**ROOM: GATES HILLMAN 6501**

Civis is a Chicago-based data science company that helps organizations understand what's true, what may be true in the future, and what they can do about it. Simply put, we strive to make the world a better place, and everything we do is with that in mind.
