Google Brain/AI Residency Session

Join us to learn more about Google’s 12 month residency for students interested in Artificial Intelligence! The evening will consist of a short talk about the program, a panel of former residents and advisors, followed by a mix & mingle. Please RSVP using the link below to mark your attendance, and to make sure we get enough food and swag :)

WHEN:
Friday, November 17
4:30PM - 6:00PM

WHERE:
Gates Room 6115
Carnegie Mellon University
