Scaling a Frontend Codebase

By Pranava Adduri & David Zeng

WEDNESDAY 9/13 - 7-8PM

Reddy Conference Room - Gates Hillman 4405

FOOD WILL BE PROVIDED

COME WIN SOME RUBRIK SWAG!

rubrik

COME HEAR FIRSTHAND FROM EARLY ENGINEERS AT RUBRIK!

Pranava Adduri graduated from UC Berkeley with a Computer Science degree. He had internship experiences working at Box, Salesforce, and VMware prior to joining Rubrik as one of the earliest engineers on the team.

David Zeng graduated from Stanford with a BS and MS in Computer Science and Mathematics. Prior to joining Rubrik full-time, he interned at Google, Addepar, Tower Capital Research, and VMware.
