General Information

The Doctor's Hooding Ceremony recognizes those who have earned their doctor's degree and gives the university an opportunity to emphasize the importance of graduate education in the life of a research institution.

- Each doctor's degree candidate will be hooded individually on stage by a faculty member of the candidate's choice.
- Each candidate is responsible for inviting a member of the faculty to participate in the hooding.
- Tickets are not distributed, nor required for the ceremony. There is no limit to the number of guests who may attend, although seating is limited. Guests are advised to arrive early as seating is first-come, first-serve.
- The ceremony will also be simulcast in McConomy Auditorium, first floor, University Center for additional seating.
- **This is an academic ceremony. Caps and gowns are required for all participants. Cap and gown orders can be placed via the Commencement Web site: www.cmu.edu/commencement.**
