Bus: take route 61 from campus to Forbes and Wightman and then walk down Wightman and Beacon following the directions above.

Walkers/Bikers (20-25 minute walk): go south from campus, by the Phipps conservatory, across the Panther Hollow bridge (it has brass panthers on it). Turn left onto the Boulevard of the Allies (busy but has a sidewalk) and walk 1/2 mile through the park to the traffic light (it's nicer to take the trails here if you know them or don't mind exploring).

Walk straight through the light, and halfway up the hill angle left onto Beacon (or cut across the lawn). Our house is on the right (south) side of the street.
