Pretty Good Race T-shirt Sizes

If you are unsure of your t-shirt size, please see Deb Cavlovich in GHC 7117 (deb@cs.cmu.edu or <tel: 412-268-3789>) during regular business hours (M-F 9am-5pm). Deb has sample sizes of the shirts.

If you can't figure out your shirt size before the Sept 2 race day, you can see Deb the week after the race and let me (kalp@cs.cmu.edu) know what size you want. Please let me know if you need more time beyond Sept 9 to see Deb about your shirt size. I would like to place the shirt order on Sept 12 but could wait a bit longer if necessary. Contact me (kalp@cs.cmu.edu) if you have any questions or need more time to see Deb.

PGR T-shirts are in UniSex sizes Small (S), Medium (M), Large (L), ExtraLarge (XL) and ExtraExtraLarge (2XL).

Women can also select SuperSmall on the entry form for their Pretty Good Race t-shirt size if the UniSex Small is still too big.

For some women the Small in the regular UniSex sizes is still much too big. In the past I have also been able to get shirts made by Bella that are cut very small and come in Bella sizes: Bella Small, Bella Medium, Bella Large. Deb has samples of these shirt sizes too. If you are ordering a Bella shirt, please email me (kalp@cs.cmu.edu) with the Bella size you want.

Unless you are familiar with the Bella brand and sizing, you should definitely try on the Bella before ordering it to make sure the size you're thinking of is not too small for you. Even the Bella Large is smaller than a Unisex Small. There is a bathroom near Deb's office if you need a place to try them on.

Here is the link to the Bella shirt (it is either this one or the v-neck version) I've gotten before: http://www.bellacanvas.com/product/1001/1001-be-ss-tee.html

The color for the shirts this year is not yet determined but I will pick a Bella color that most closely matches the color we get for Unisex sizes.

Thanks,
Dirk
