

Maxine S. Eskenazi received her Bachelor of Arts degree in Modern Languages from Carnegie-Mellon University in 1973. She received her DEA (Diplome d'Etudes Approfondies - equiv. Masters) in Linguistics from the University of Paris VII in 1981 and her Doctorat de Troisieme Cycle in Computer Science from the University of Paris XI in 1984. Her thesis was on "Caracterisation acoustique des voyelles francaises en vue de leur reconnaissance automatique" and her thesis advisor was Jean-Sylvain Lienard.

She founded the Carnegie Speech™ Company in 2001 and is Chief Technical Officer and Vice President. Carnegie Speech™ is a CMU spinoff.

She is presently Principal Systems Scientist in the Language Technologies Institute of the School of Computer Science of Carnegie Mellon University. She also holds a tenured research position at LIMSI-CNRS in Orsay, France.
