You will be shown 48 images. For example:

Each image contains one or more human cells:

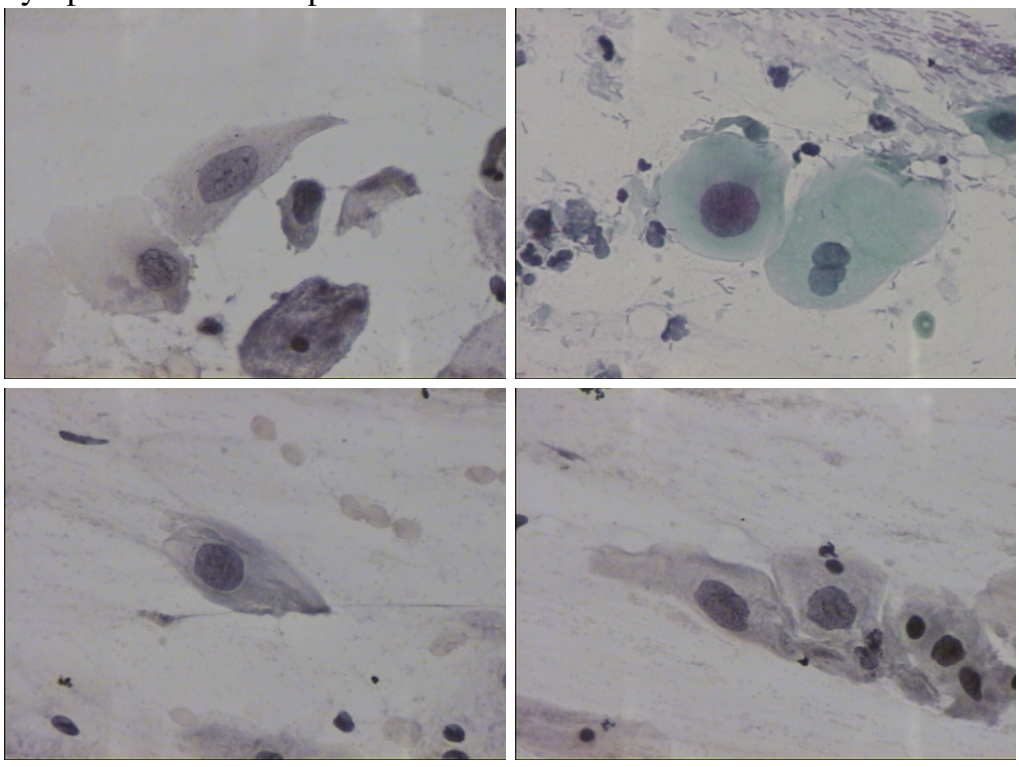

Each cell consists of a cytoplasm (greenish color), and inside the cytoplasm there is a nucleus (black stuff inside cytoplasm):

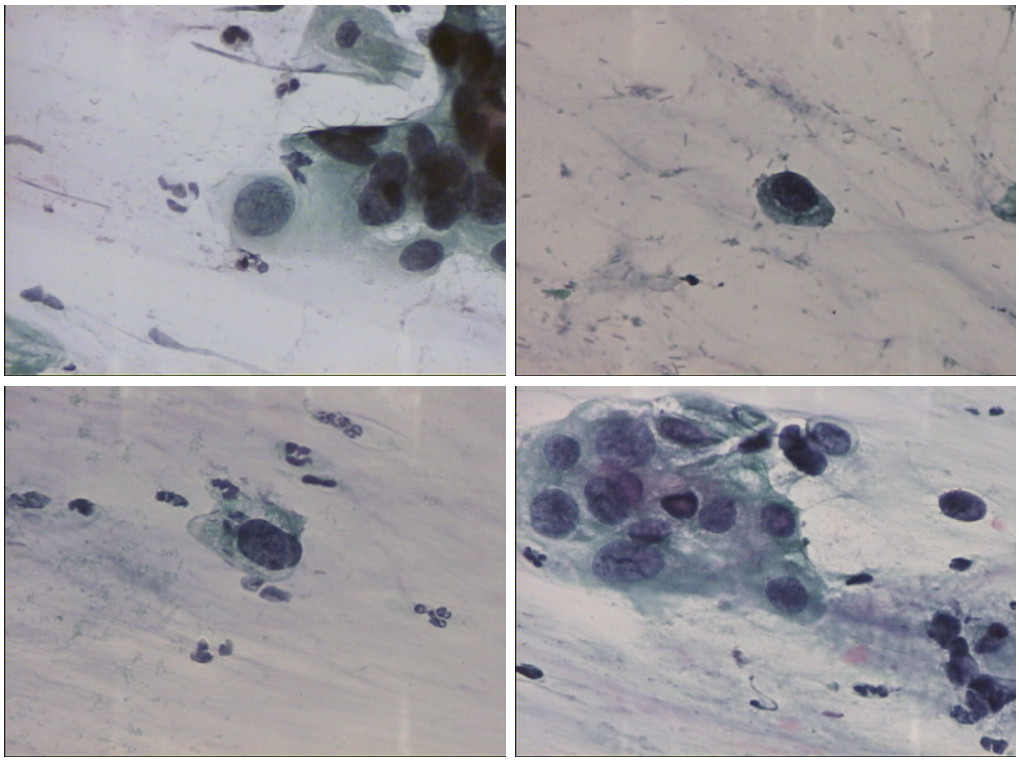

The cells in the images are in the early stage of cancer, that is, they have dysplasia.

- A cell has MILD dysplasia if the nucleus occupies LESS THAN A THIRD of the area of the cytoplasm. For example:

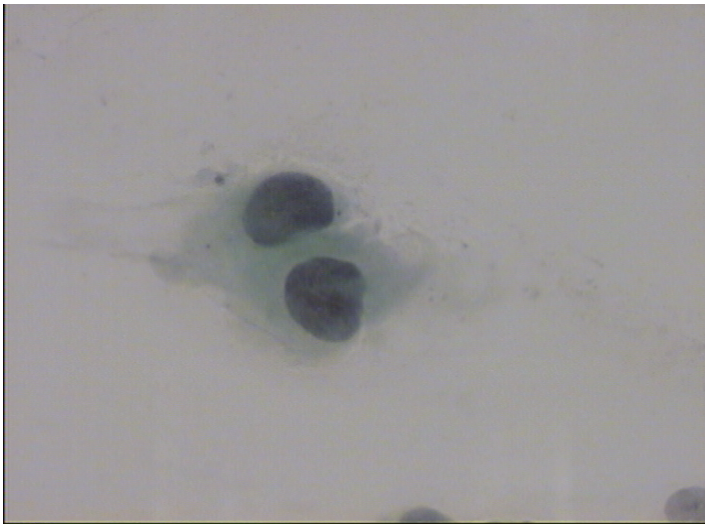

- A cell has SEVERE dysplasia if the nucleus occupies A THIRD OR MORE of the area of the cytoplasm. For example:

The task is to identify whether, in each image, the cells have **mild dysplasia or severe dysplasia**.

For EVERY QUESTION, choose either option 'Mild' or 'Severe' or select 'I'm not sure'

SAMPLE QUESTION:
Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia?
If you think that there is **less than 75% chance** of you being correct, then please select **'I'm not sure'**.
(For example, if you think it is equally likely to be either Mild or Severe then your chaces of being correct for any answer is just 50%, which is below 75%. Then you should select the 'I'm not sure' option. Please go ahead and do so.)

- ○ Severe
- ○ Mild
- ◉ I'm not sure

Great! The correct answer was 'Mild'

IMPORTANT: INSTRUCTIONS FOR BONUS:

There are 4 questions to which we know the answers, based on which your bonus will be evaluated. In these questions:

- Your bonus starts at 20 cents
- For every CORRECT answer in these four questions, your bonus will INCREASE BY 33%.
- For any INCORRECT answer in these four questions, then the bonus will become ZERO.
- Selecting 'I'm not sure' for any question does not affect your bonus.

EXAMPLE:

Suppose these are the four questions with known answers.

Example scenario A:

1.	2.	3.	4.
○ Severe	◉ Severe (← true answer)	○ Severe	◉ Severe (← true answer)
◉ Mild (← true answer)	○ Mild	◉ Mild (← true answer)	○ Mild
○ I'm not sure	○ I'm not sure	○ I'm not sure	○ I'm not sure

This action would give you a bonus of **63 CENTS** since

- You never selected a wrong answer (hence bonus didn't become zero)
- You answered three questions correctly, making the bonus 20 x 1.33 x 1.33 x 1.33 x 1.33 = 63 cents.

Example scenario B:

1.	2.	3.	4.
◉ Severe	◉ Severe (← true answer)	○ Severe	◉ Severe (← true answer)
○ Mild (← true answer)	○ Mild	◉ Mild (← true answer)	○ Mild
○ I'm not sure	○ I'm not sure	○ I'm not sure	○ I'm not sure

This action would make your bonus **0 CENTS** since you selected the wrong answer for the first question

Example scenario C:

1.	2.	3.	4.
○ Severe	◉ Severe (← true answer)	○ Severe	◉ Severe (← true answer)
○ Mild (← true answer)	○ Mild	◉ Mild (← true answer)	○ Mild
◉ I'm not sure	○ I'm not sure	○ I'm not sure	○ I'm not sure

This action would give you a bonus of **47 CENTS** since

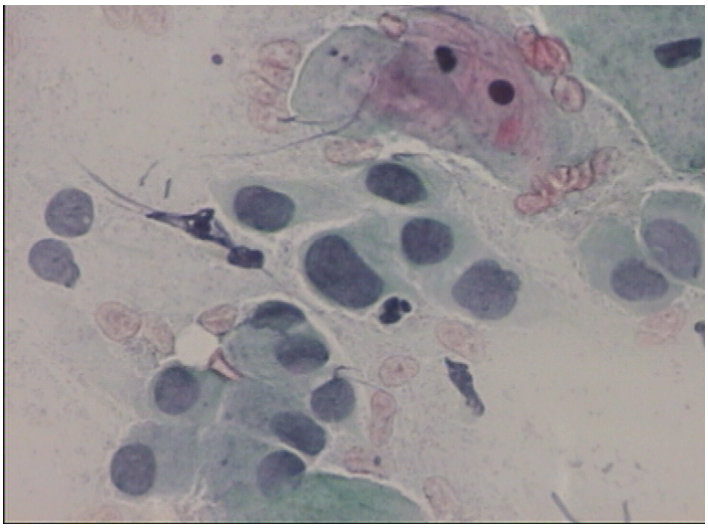

- You never selected a wrong answer (hence bonus didn't become zero)
- You answered three questions correctly, making the bonus 20 x 1.33 x 1.33 x 1.33 = 47 cents.

The best way to maximize bonus is:

- **Select 'I'm not sure' for questions where your chances of being correct are below 75%**
- **Otherwise, select option that is most likely to be correct.**

Please answer the 48 questions below

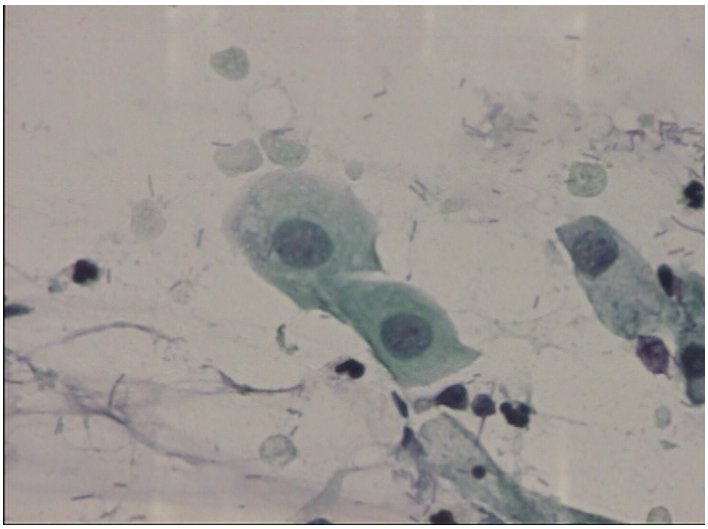

1. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- ◯ Severe
- ◯ Mild
- ◯ I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

2. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

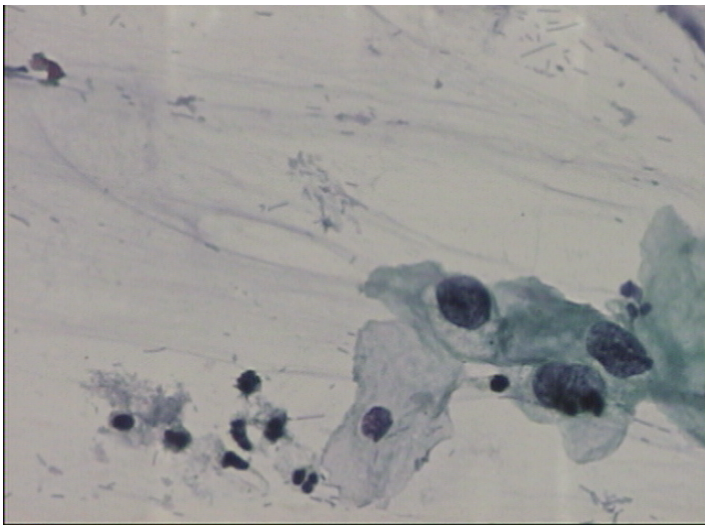

- ◯ Severe
- ◯ Mild
- ◯ I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75%

chance that your answer will be correct. Otherwise select the option is most likely to be correct.

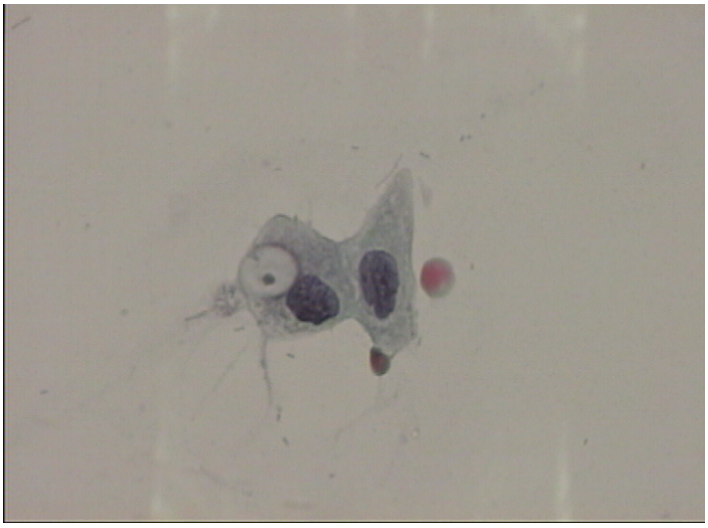

3. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

4. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

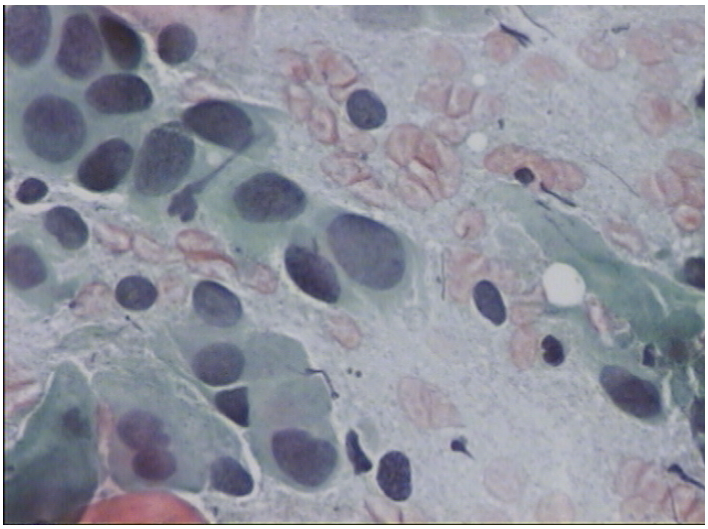

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

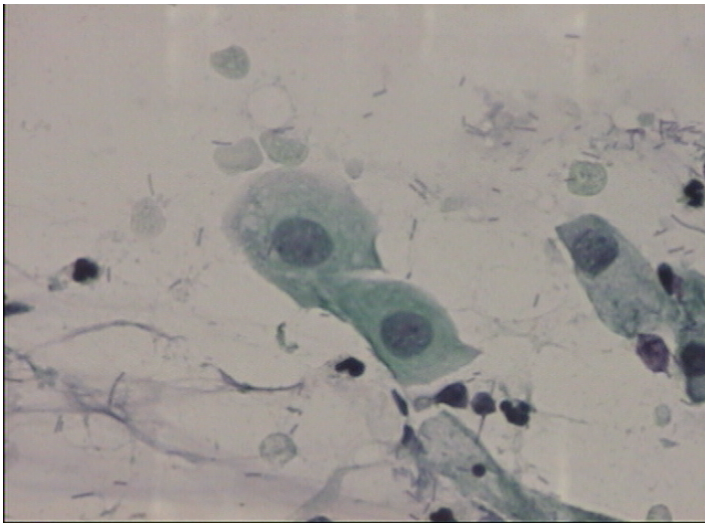

5. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

6. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

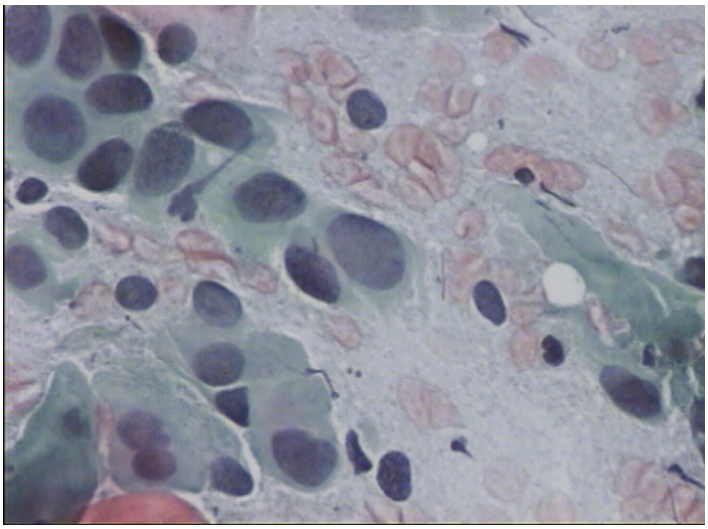

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

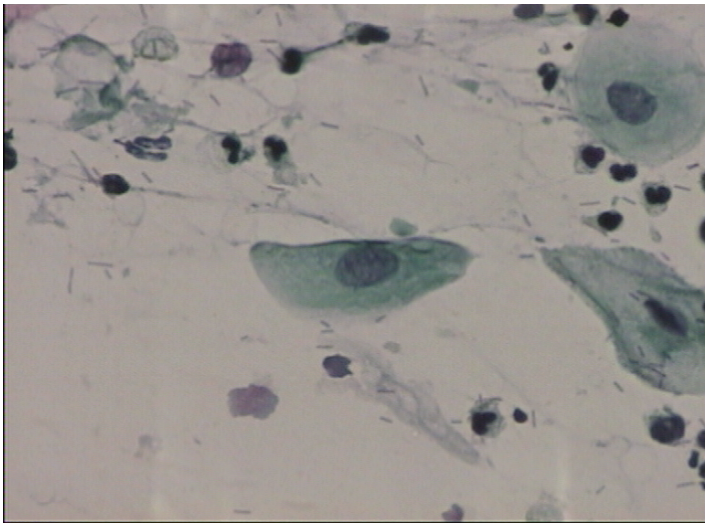

7. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

8. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

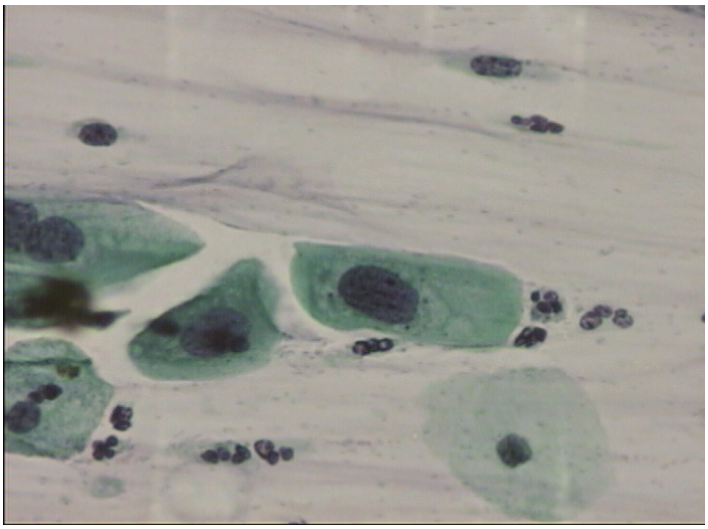

- ◯ Severe
- ◯ Mild
- ◯ I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

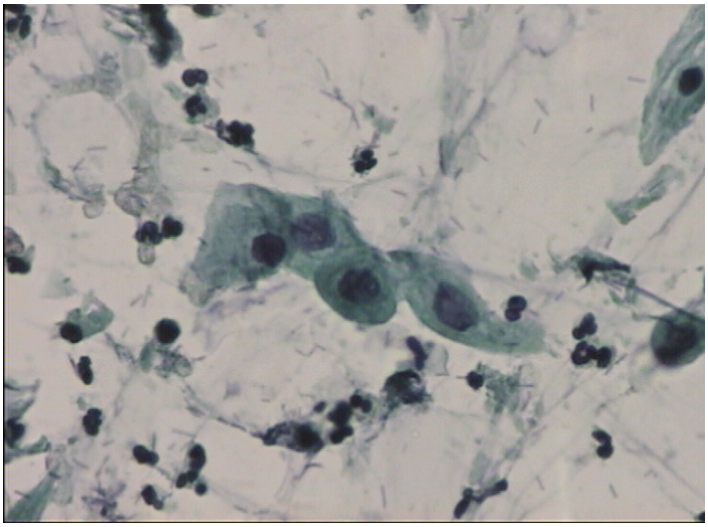

9. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- ◯ Severe
- ◯ Mild
- ◯ I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

10. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

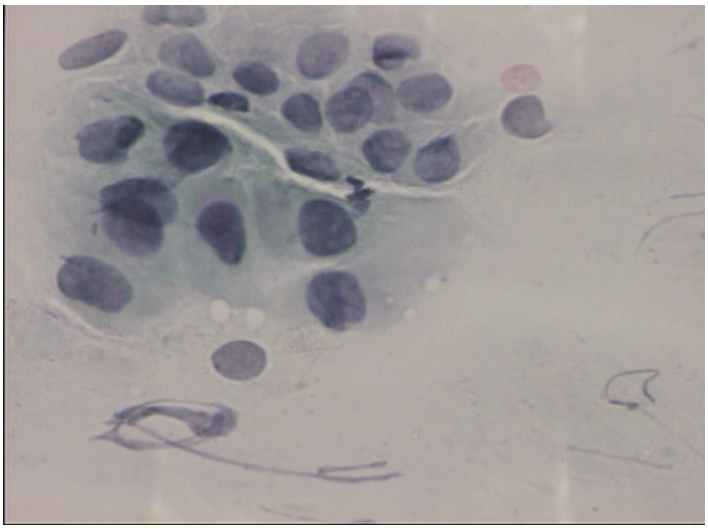

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

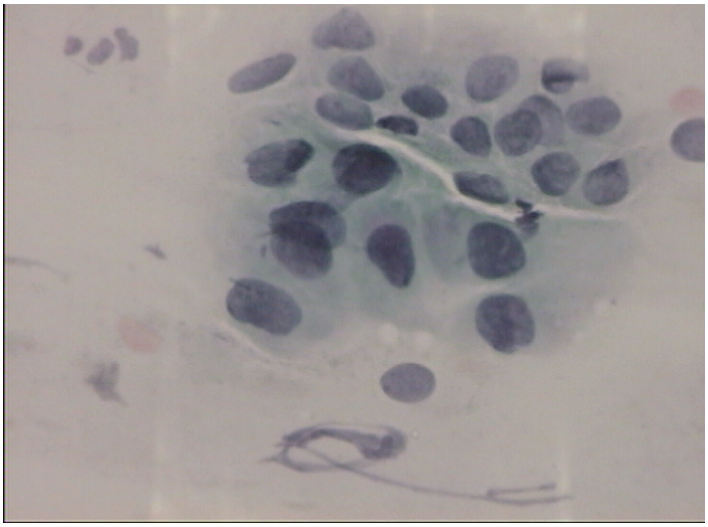

11. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

12. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

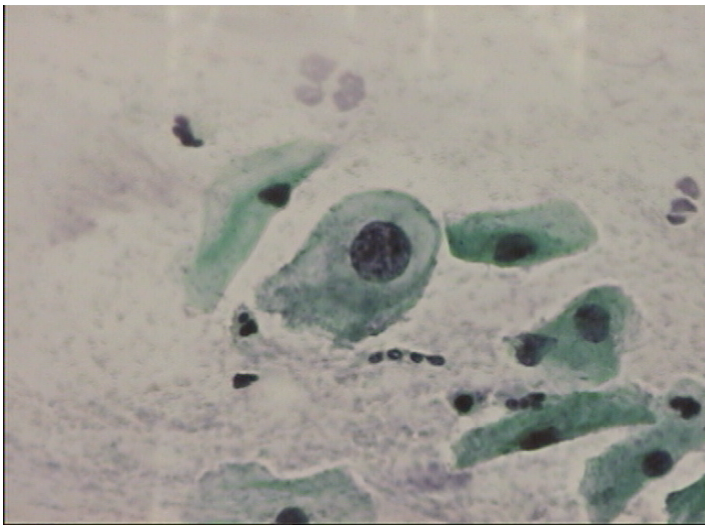

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

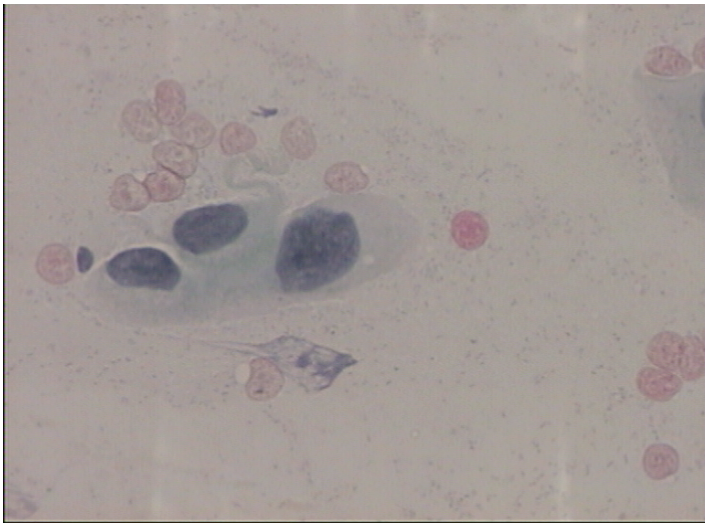

13. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

14. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

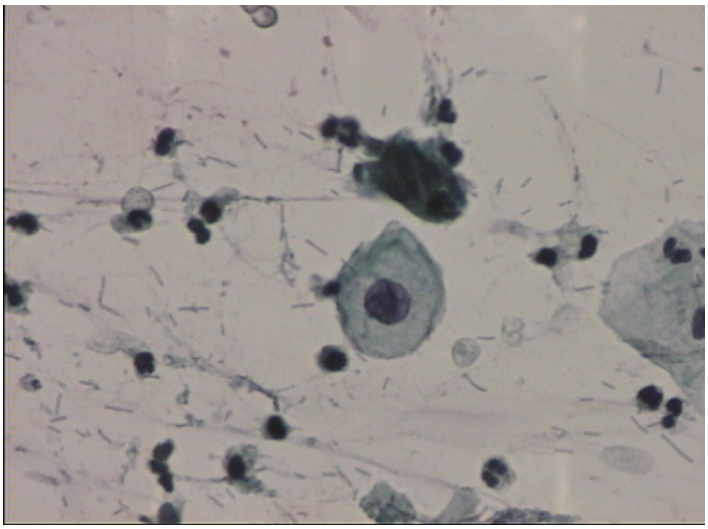

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

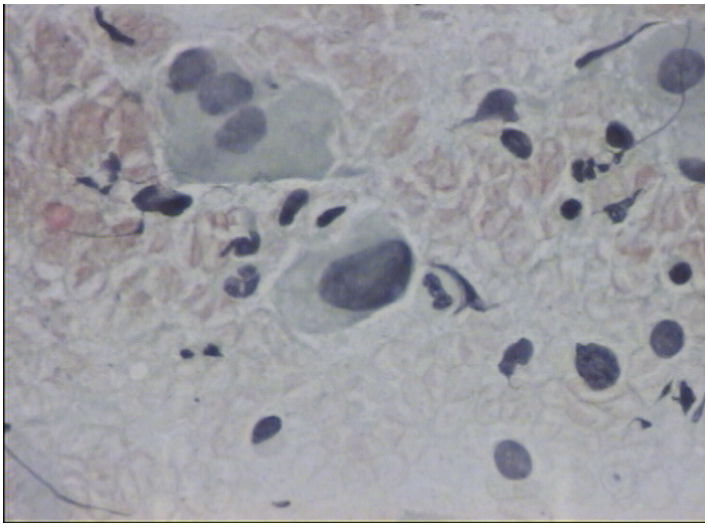

15. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

16. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

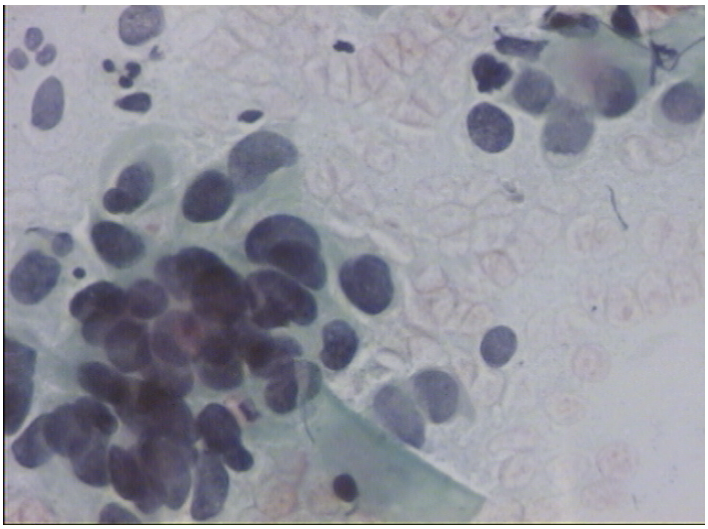

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

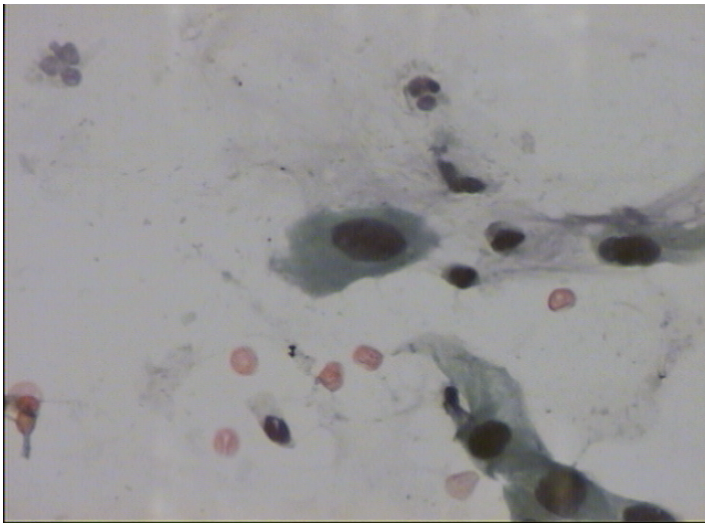

17. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

18. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

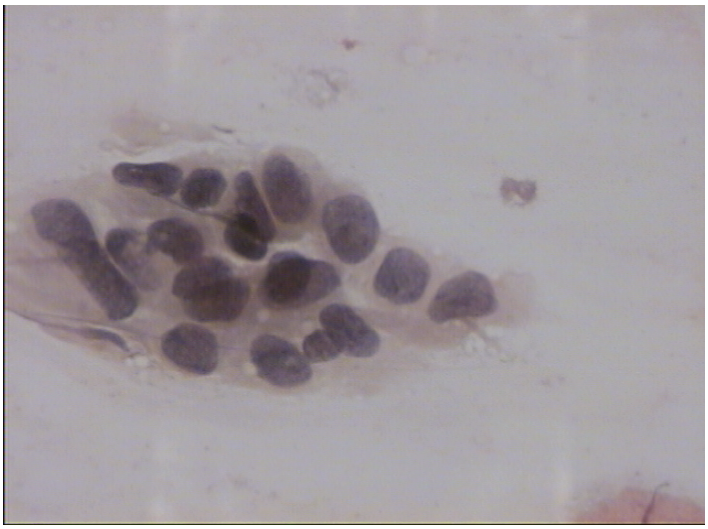

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

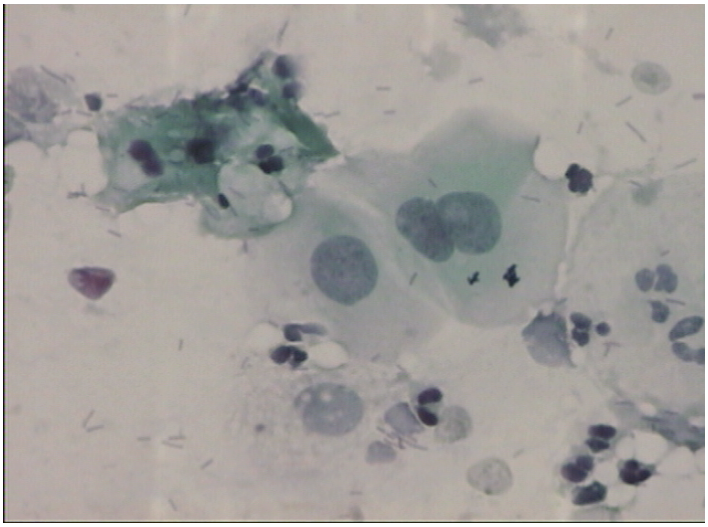

19. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

20. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

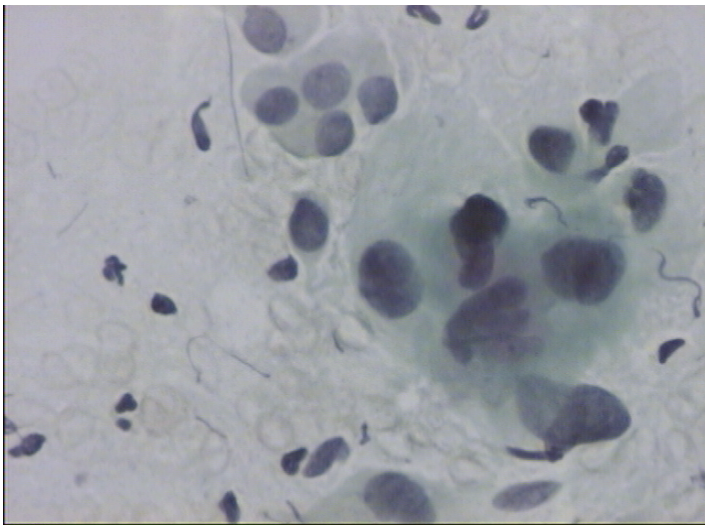

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

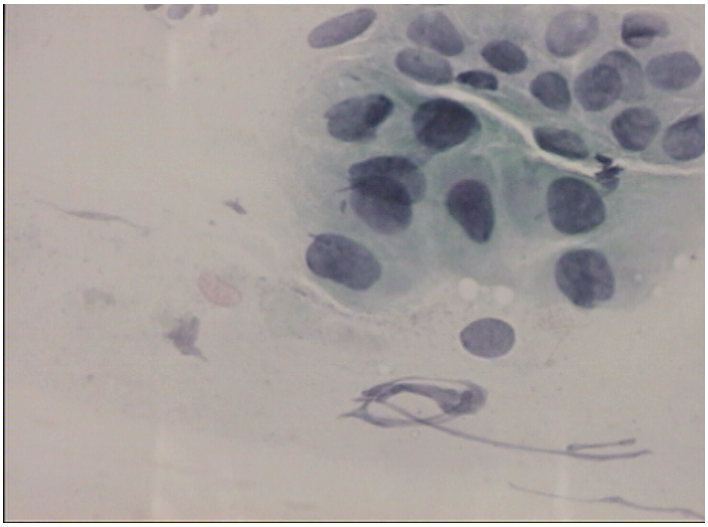

21. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

22. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

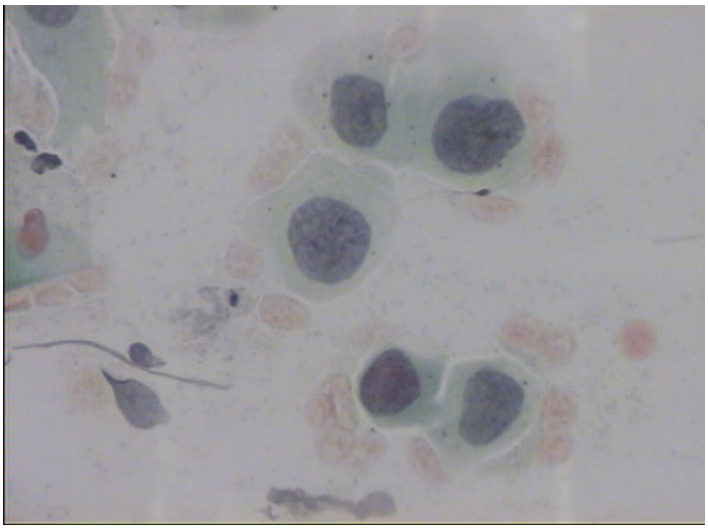

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

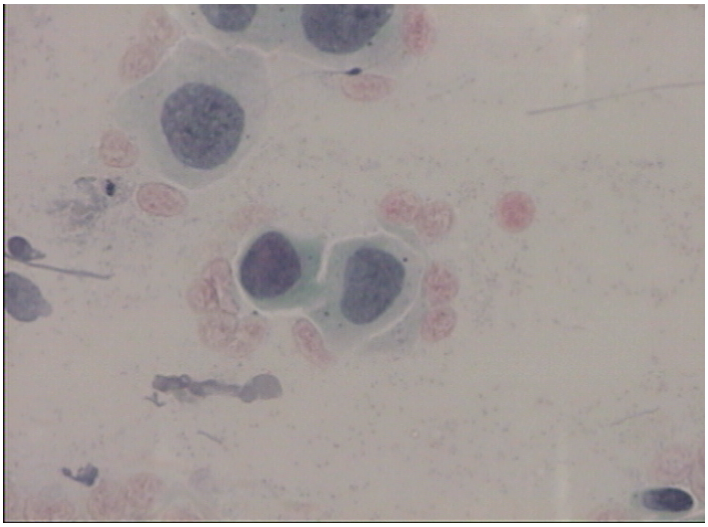

23. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

24. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

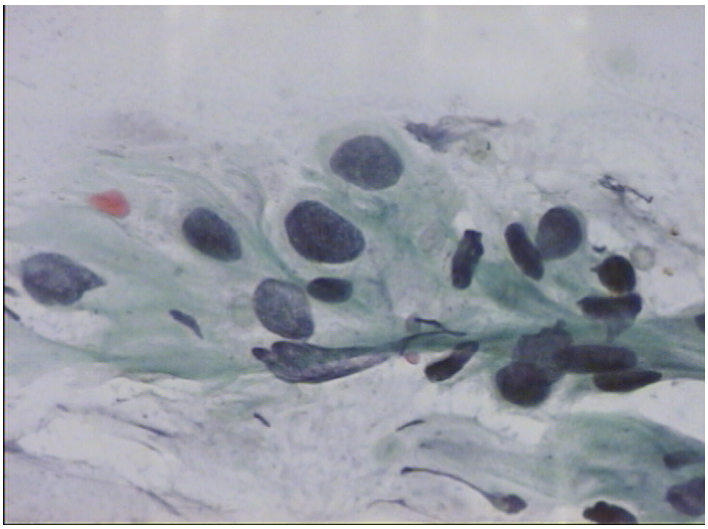

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

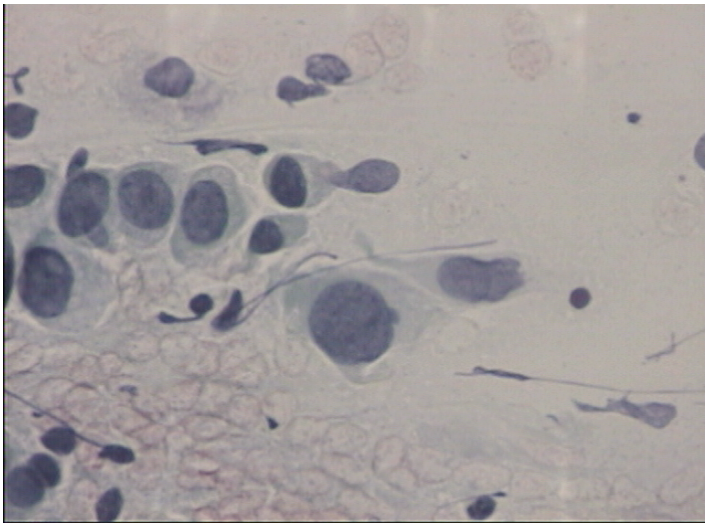

25. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

26. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

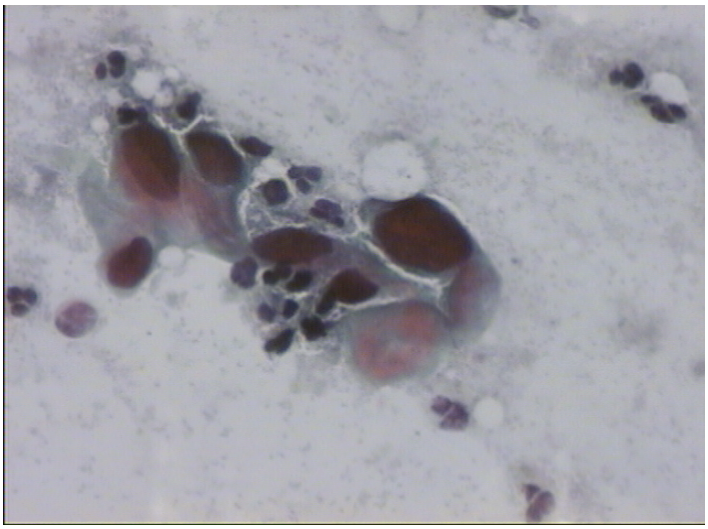

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

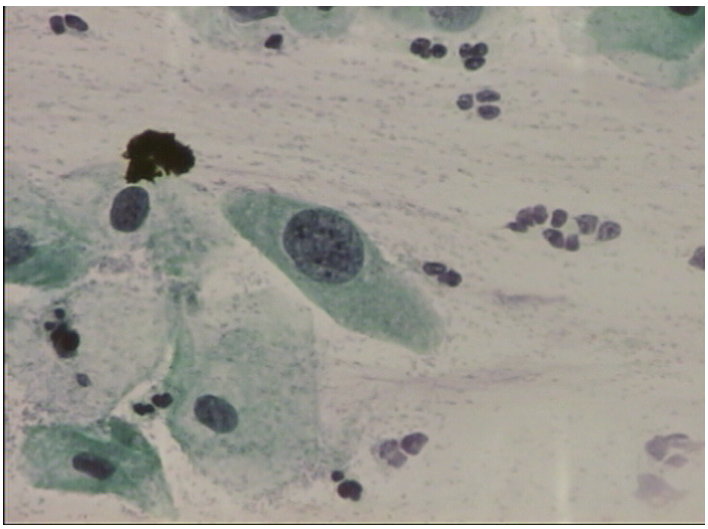

27. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

28. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

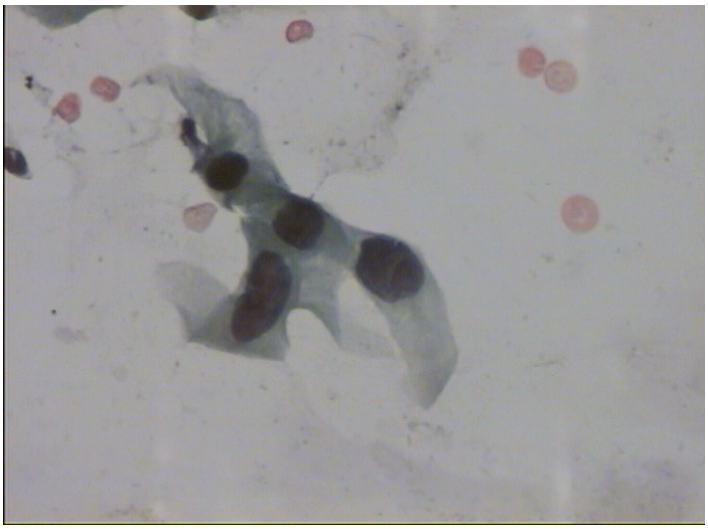

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

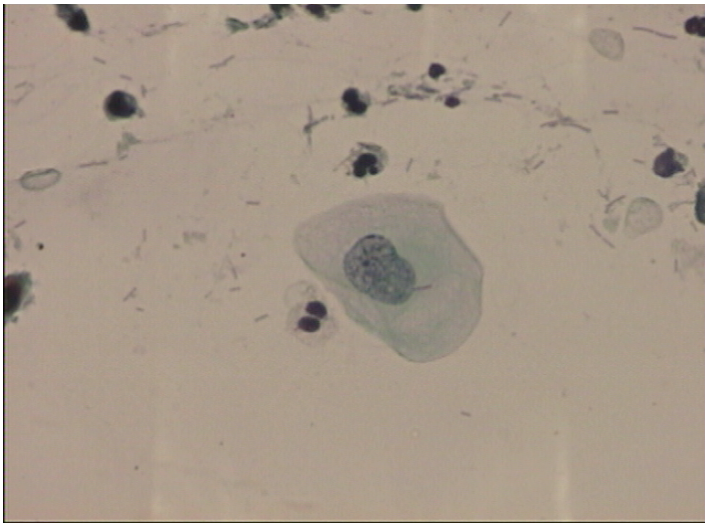

29. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

30. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

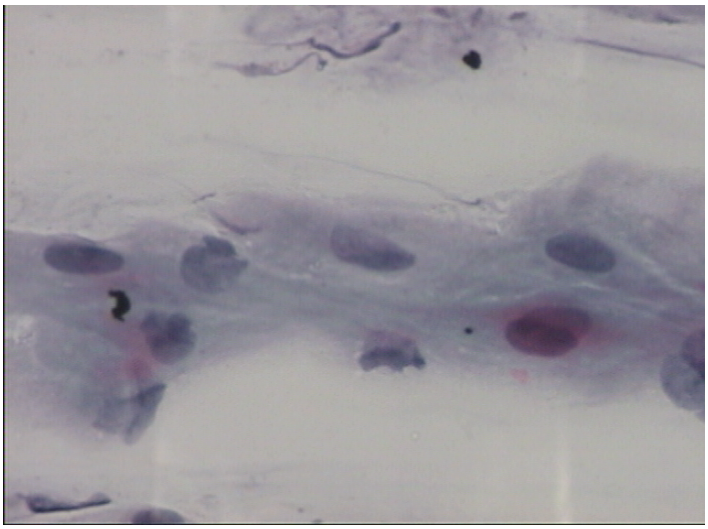

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

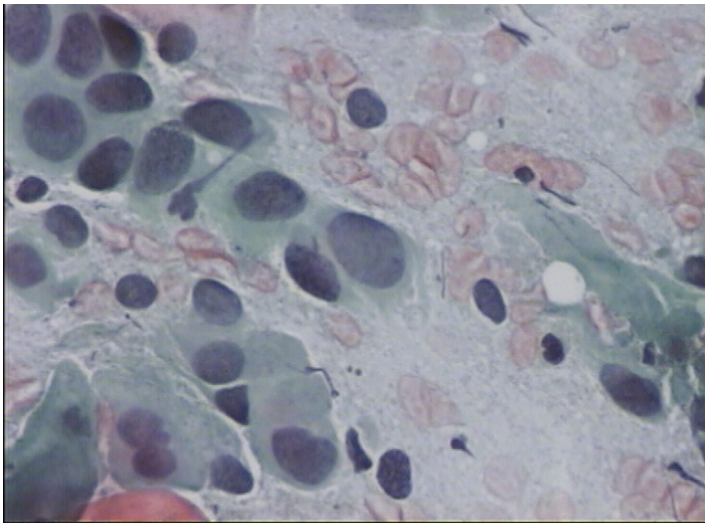

31. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

32. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

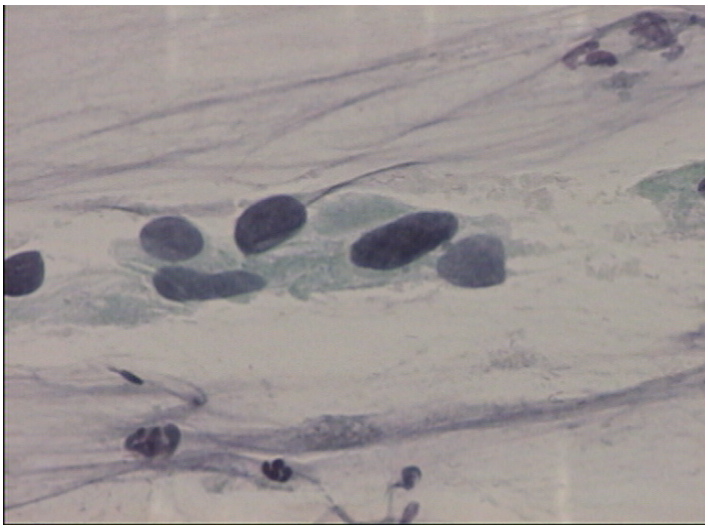

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

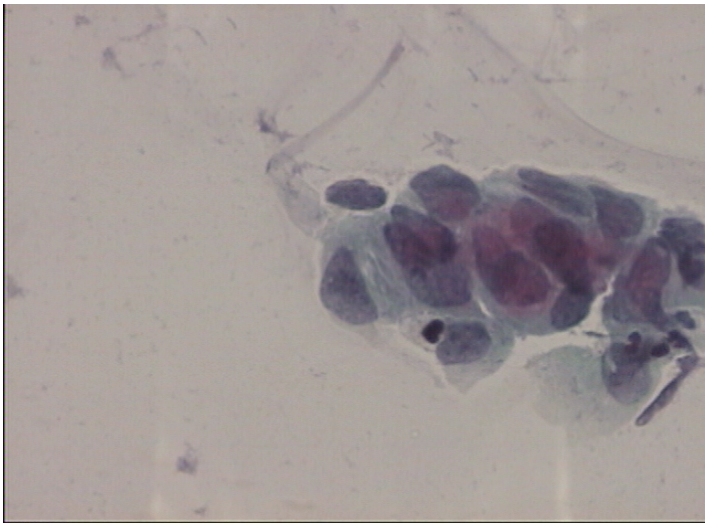

33. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

34. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

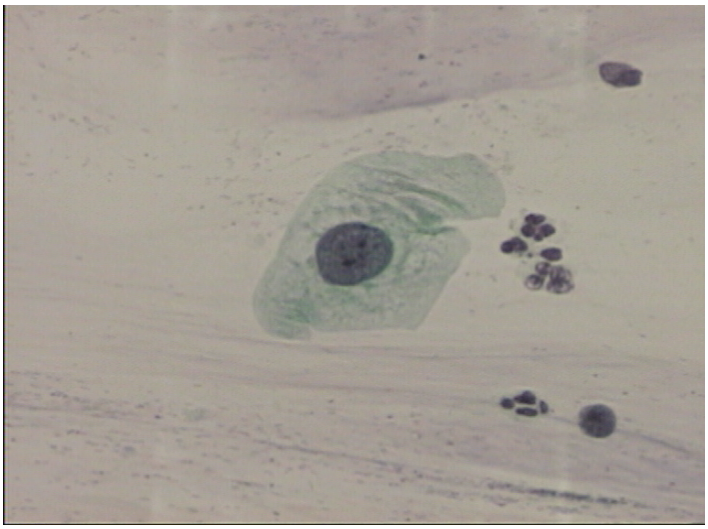

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

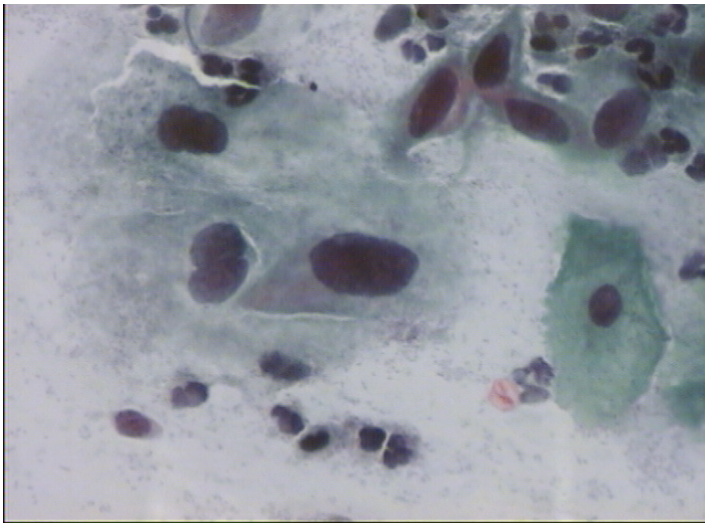

35. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

36. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

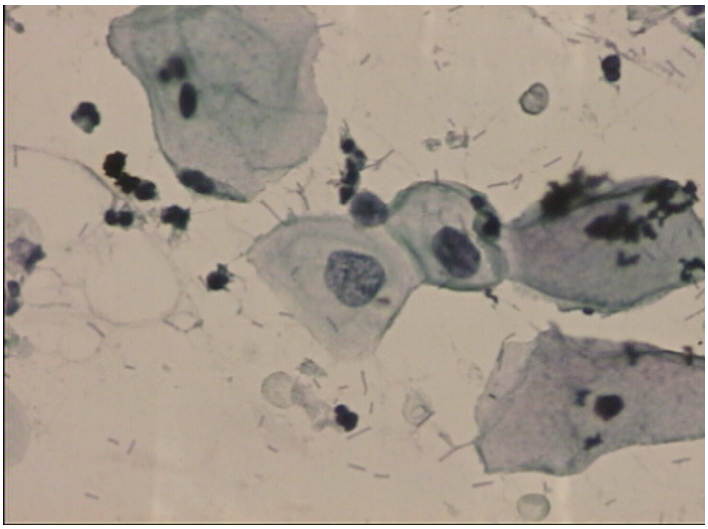

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

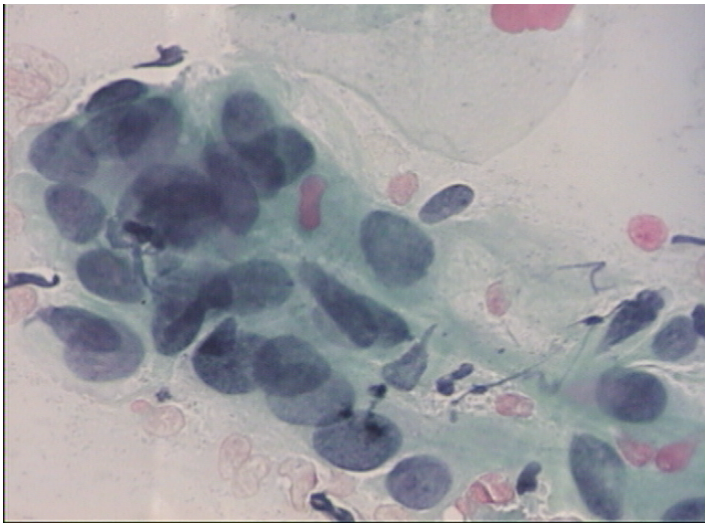

37. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

38. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

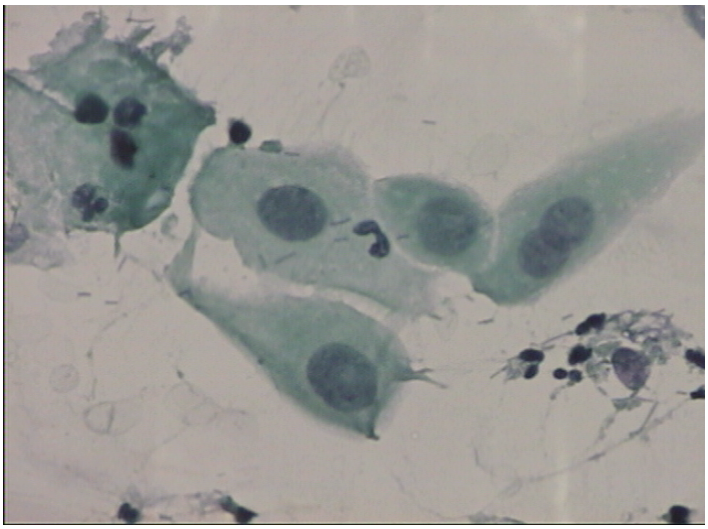

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

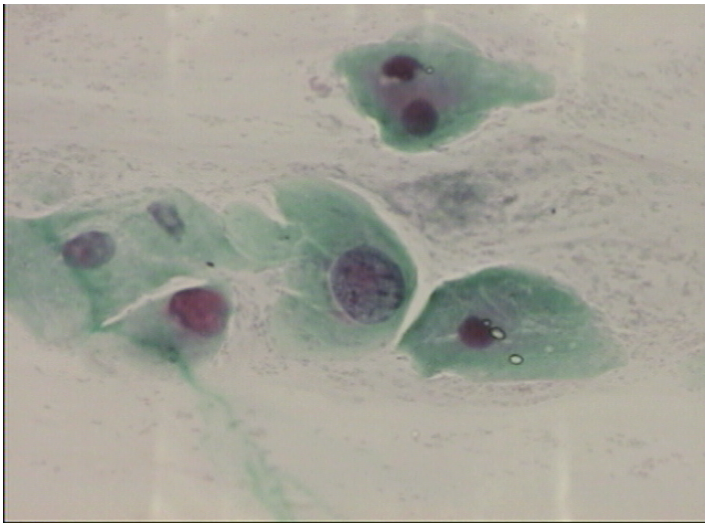

39. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

40. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

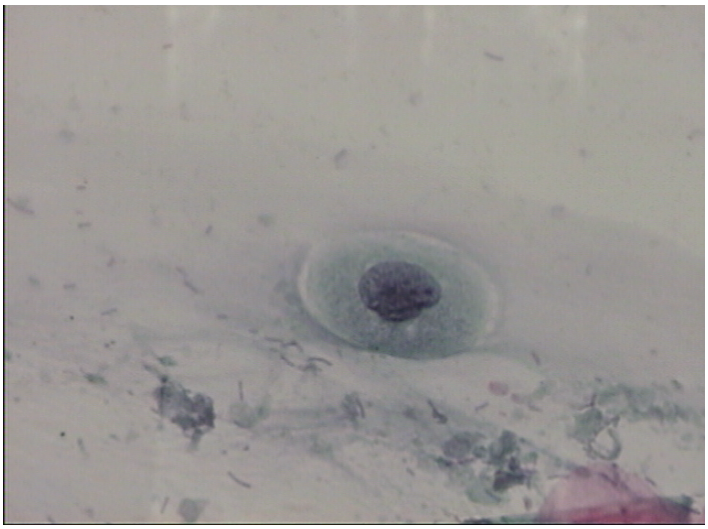

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

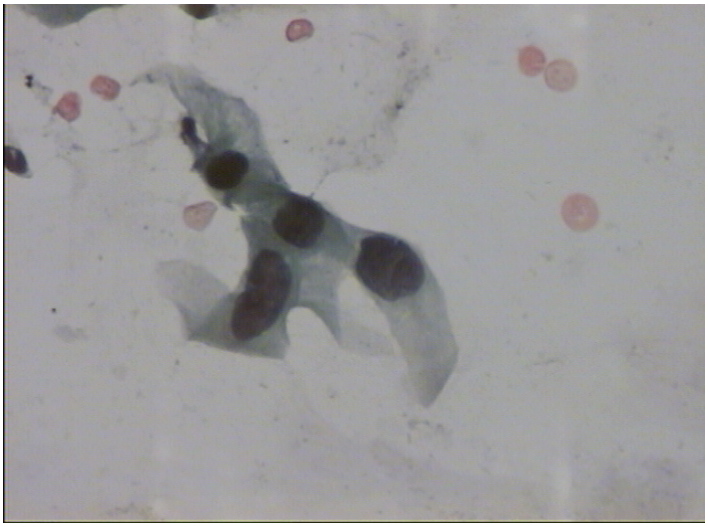

41. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

42. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

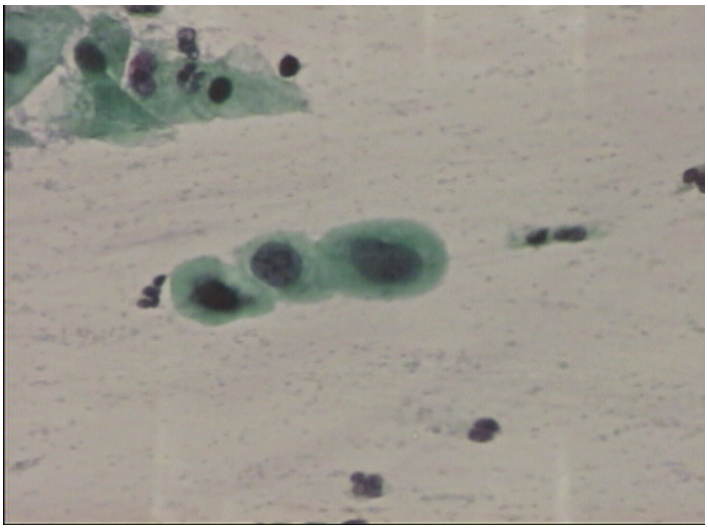

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

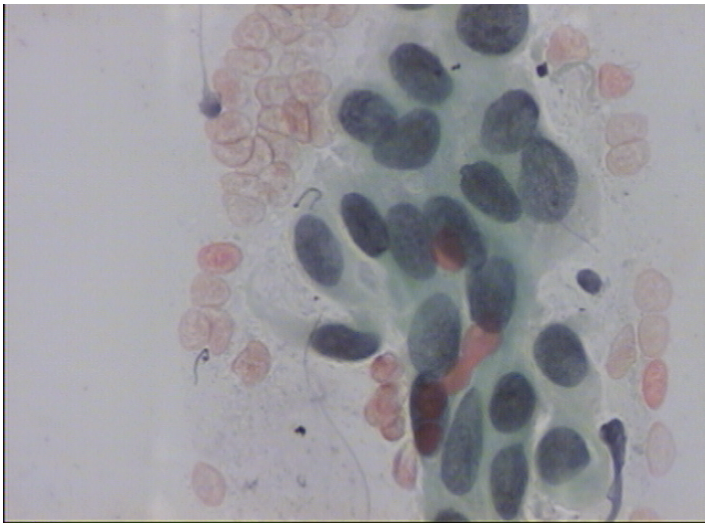

43. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

44. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

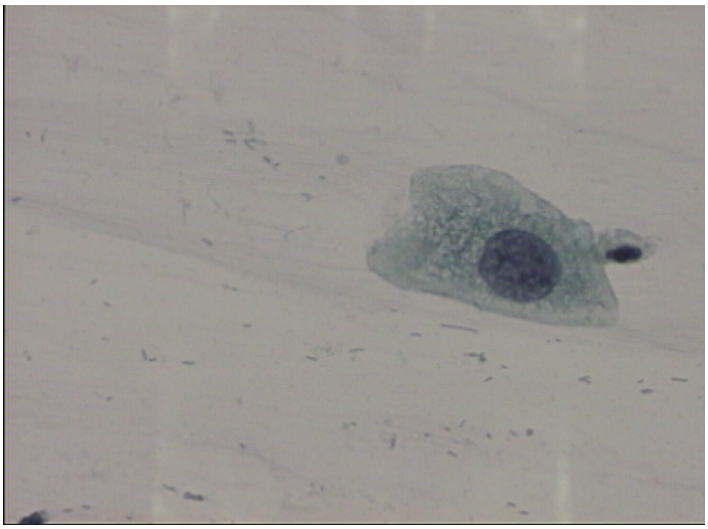

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

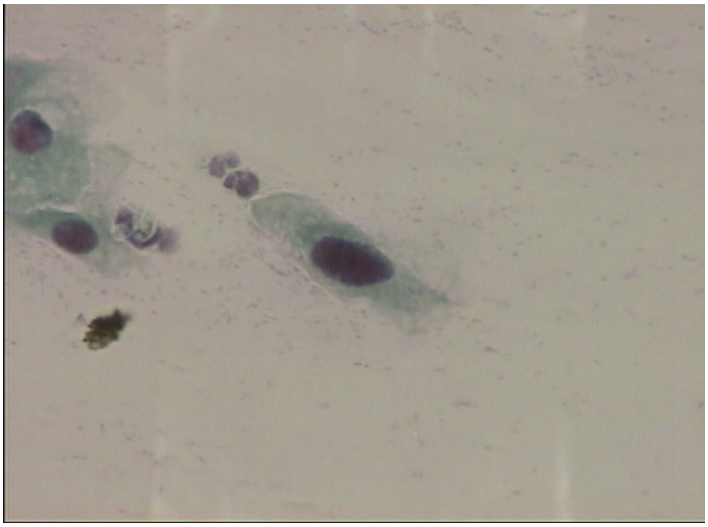

45. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

46. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

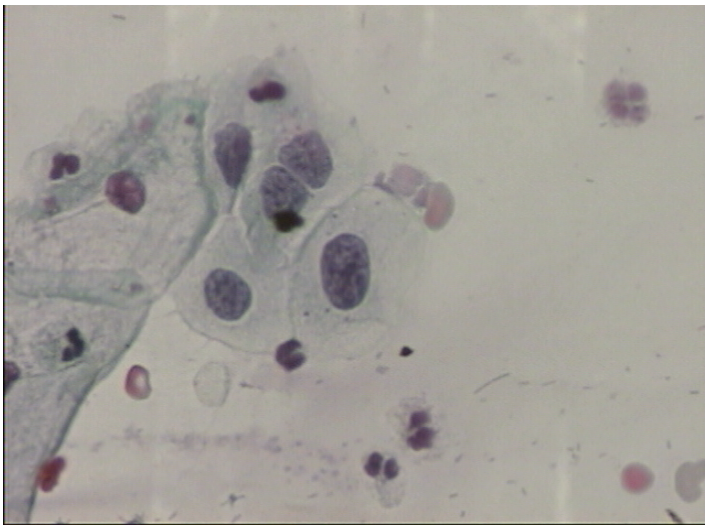

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

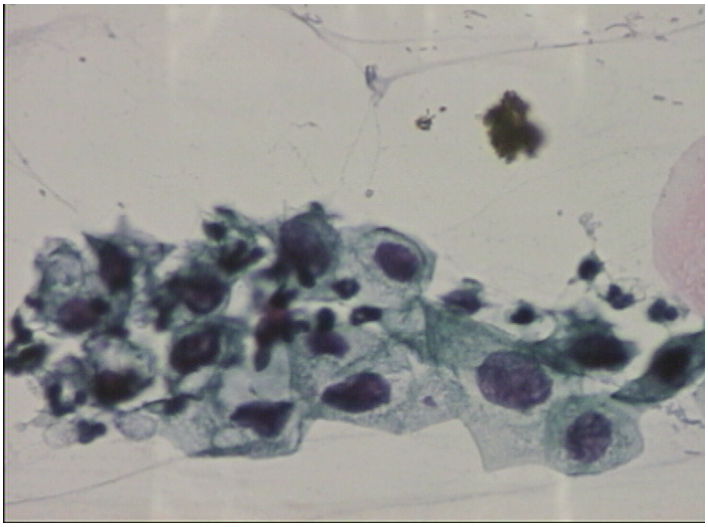

47. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

48. Is this Mild (nucleus is small as compared to cytoplasm) or Severe (nucleus is big as compared to cytoplasm) dysplasia? If you think that there is less than 75% chance of you being correct, then please select 'I'm not sure'

- Severe
- Mild
- I'm not sure

REMINDER FOR BONUS: For each question, select 'I'm not sure' if you think there is less than 75% chance that your answer will be correct. Otherwise select the option is most likely to be correct.

Thank you for your time. You will receive the bonus within 72 hours.
