

Carnegie Mellon

2002 Robotic Autonomy Financial Aid Form

Family Financial Data

Parents' current marital status (check one)..... ☐ married ☐ widowed ☐ divorced/separated ☐ single (never married)
(If separated or divorced, Carnegie Mellon will normally expect a contribution from the non-custodial parent unless documentation can be provided which reflects that such an expectation is unreasonable.)

Age of the older parent with whom you reside _____

Number of 2001 taxable dependents _____
(Include parents as well as children; if you do not file a tax return, answer this questions as if you did file.)

Number of students in college for the 2002-03 academic year _____
(Include only dependent, undergraduate children expected to enroll at least half-time in college for the 2001-02 academic year.)

Father's 2001 wages, tips and other compensation \$ _____

Mother's 2001 wages, tips and other compensation \$ _____

All other 2001 parental taxable income \$ _____
(Including, but not limited to rents, interests, pensions, alimony, etc.)

Child support received in 2001 \$ _____

Number of individuals for whom child support is received \$ _____

All other 2001 parental non-taxable income \$ _____
(Include interest from non-taxable bonds, parent's Social Security benefits, tax-deferred compensation, etc.
Include the student's 2000 Social Security benefits. *Any losses and/or adjustments to income should not be included.*)

Will parents file a federal income tax return for 2001? ☐ Yes ☐ No If yes, what type of return? ☐ 1040 ☐ 1040A ☐ 1040EZ

2001 federal taxes paid (not withheld) \$ _____

Parents' current cash, savings, checking accounts, net market value of investments and other real estate equity... \$ _____
(do not include business, farm, retirement funds or home equity)

Net market value of business or farm \$ _____
(Total market value of land, buildings, etc., minus unpaid principal and related debts. **Do not include net value of home.**
If your family is part owner of a business or farm, list only parents' share of the net worth.)
