Navigator Mode

In this mode, users are allowed to perform many functions
1. View/access all documents in salon
2. Switch to other modes (participate, view, dashboard)
3. Click on comments to see the “context”
4. Reply to a comment
5. View a thread as list of comments (a view of the comment tree)
6. See replies and reply to a comment

- You can also filter comments by users and tags or reduce/enlarge document size.
