**Edit/Delete Annotations**

1. You can always edit/delete annotations/responses from PARTICIPATE MODE.

   ![Annotation Interface]

2. In some cases, you can also edit/delete annotations from VIEW MODE. Note that new comments added from discussion navigator with your own tags/labels will NOT show up in view mode. Please delete them from Participate mode.

   ![Comment Interface]

3. You cannot edit/delete annotations from discussion navigator or dashboard.

**Questions**: If you have any questions, suggestions or comments

please send email to: classroom-salon@andrew.cmu.edu
