Modify Annotations

1. You can always modify annotations/responses from PARTICIPATE MODE

2. In some cases, you can also modify annotations from VIEW MODE. Note that new comments added from discussion navigator with your own tags/labels will NOT show up in view mode. Please delete them from Participate mode.

3. You cannot modify annotations from discussion navigator or dashboard

Questions: If you have any questions, suggestions or comments

please send email to: classroom-salon@andrew.cmu.edu
