   I totally 
   hate 
   drugs

3) How can you use what you learned?
   So if someone wants 
   to give me drugs 
   I can say no.

SCHOOL  James Denman  GRADE 6  DATE Oct. 8, 2003
1) Can you tell us what you thought of the talk, and why?

I thought it was a valuable lesson!

Because we now know what can happen to us if we do drugs, and how it's not good!

2) How did your thoughts about drugs change after hearing the talk?

My thoughts changed now. I am scared of drugs. It just terrifies me that people would actually do drugs.

3) How can you use what you learned?

I can tell my friends to never do drugs. I can try to make this school a no drug school and not let people even think about drugs.

SCHOOL: James Denman GRADE 6 DATE 10-8-05

© 2001 NARCONON Northern California, USA
1) Can you tell us what you thought of the talk, and why?
   I thought that everything he said is true, because drugs are really bad. I don't know why people enjoy it. It can kill you.

2) How did your thoughts about drugs change after hearing the talk?
   My thoughts are still the same. I'm never doing drugs. No matter what, because it's stupid. It's a waste of money.

3) How can you use what you learned?
   I could use what I learned by remembering what drugs can do to me, and how much damage it can do.

SCHOOL: James Demen Middle School
GRADE: 6th
DATE: 10/7/03

3) How can you use what you learned?
   I can tell other people about what I learned.

SCHOOL: Visitation Valley M.S.  GRADE:  DATE: 10/15/83
1) Can you tell us what you thought of the talk, and why?
   The talk taught me a lot about how drugs are basically just bad. It was excellent, and I learned a lot from the examples that were given.

2) How did your thoughts about drugs change after hearing the talk?
   My thoughts stayed the same — drugs are basically bad.

3) How can you use what you learned?
   I can tell people who use drugs what would happen to them.

SCHOOL Visitation Valley Middle School     GRADE 8     DATE 10/17/03
1) Can you tell us what you thought of the talk, and why?
I thought that the talk was very educationally because he was telling us things that we need to know in the future.

2) How did your thoughts about drugs change after hearing the talk?
Well, I always thought drugs were bad, and now I think that there worse.

3) How can you use what you learned?
By if someone try to offer me some kind of drug, I would say no because I'll remember what I learn in science class.

SCHOOL: VVMS
GRADE: 7
DATE: 10/17/03
1) Can you tell us what you thought of the talk, and why?

I liked because hearing what Nathan said was really nice and good.

2) How did your thoughts about drugs change after hearing the talk?

My thoughts change because when I grow up and someone say, "No! If I want a drug I'll smoke I'll say, "don't smoke."

3) How can you use what you learned?

If someone in my family smoke I'll say, "don't smoke."

SCHOOL: Sunny Side School
GRADE: 4
DATE: 10-22-03
1) Can you tell us what you thought of the talk, and why?
I thought it was great because it told us not to do drugs. We shouldn't smoke because it has 4,000 chemicals in one cigarette. This talk is very important because we should choose to smoke or not to smoke.

2) How did your thoughts about drugs change after hearing the talk?
It changed my thoughts about the drugs. I really want to be drug free.

3) How can you use what you learned?
I can share it with my friends.

SCHOOL: Sunnyside  GRADE: 4  DATE: 10/22/03
1) Can you tell us what you thought of the talk, and why?

I thought it was great because it warned me when I get older I should not do drugs.

2) How did your thoughts about drugs change after hearing the talk?

My thought changed alot for not doing any kind of drugs.

3) How can you use what you learned?

I can use what I learned to not do drugs because it is poison.

SCHOOL Sunny Side School  GRADE 4th  DATE 10-22-03
