**Description:**
- Found in many cultures of Zaire
- Made by Idoma/Igbo artist
- Used to decorate houses of Mambila
- Represents relationship between village and universe

**Reason:**
- Used to contact spirits in hopes of curing disease, infertility, and other maladies
- Used in trade
- Used at social events (masquerades, funerals)
- Required skill, a tile-based piece of art
- They took an idea and took it into an idea, shows they can show ideas in art
