invites you to the inaugural

BIOTECH JOB FAIR

Open to all members of Carnegie Mellon University
Wednesday, January 19 & Thursday, January 20, 2022

You're invited to participate in the inaugural BioTech Fair hosted by the Carnegie Mellon University Computational Biology Department! Meet industry representatives and alum scientists working in biotech and pharma! Register before Monday, January 3 at 5pm with the links below.

REGISTRATION DEADLINE: MONDAY, JANUARY 3, 2022, 5PM

IMPORTANT: The Virtual Job Fair on Thu Jan 20 will **ONLY** include companies who are unable to join us due to the travel restrictions. We encourage all participants to register for both the in-person and virtual job fair!
