

Cisco's Webex Virtual Hackathon

<https://innovationchallenge.cisco.com>

- **Open to everyone age 18+**
- Multiple Team prizes to be awarded
- **All participants and winners will receive a certificate**
- **No technical knowledge, experience, team, or idea?** No problem. Ideas and contributions can be technical or non-technical, small or big, include cross-Cisco products/integrations, and more. We also have a team on standby to help guide those who may need help.

The goal is to develop ideas related to Webex video conferencing, messaging, and other collaboration services.
