

RESEARCH EXPERIENCE FOR UNDERGRADUATES SUMMER 2023

REU

Surf the wave with ASSET RESEARCH!
The research project during the summer program will be centered on the theme of Advanced Secured Sensor Enabling Technologies (ASSET). Students will improve the understanding of the nature of research practice and scientific reasoning and learn the process of conducting research and hands-on knowledge of applied and basic research.

SUMMER PROGRAM DATES

Application Submission Deadline for Early Decision: April 7, 2023
Early Admission Offer: April 14, 2023
Regular Application Submission Deadline: May 3, 2023
Regular Admission Offer: May 8, 2023
Summer Program Duration: May 30 - August 4, 2023
