

Write the code that drives change.

Goldman Sachs Tech Talk at Carnegie Mellon University

Technology doesn't support our industry. It drives it. So when we look for technical people, it's for business-critical roles. You'll design, build and deploy real solutions that set the pace for the financial markets. If you're ready to put technology to work, visit us at gs.com/careers

Date: Tuesday, January 25th, 2011

6:30pm - 7:30pm: Goldman Sachs Tech Talk on Engineering Innovation in the Financial Services Industry

7:30pm - 8:30pm: Goldman Sachs Technology Summer Intern Information Session

Location: Newell-Simon Hall 3305

To learn more about our summer internship opportunities, please visit www.gs.com/careers and fill out an online application by **January 27th at midnight.**
