IMC Trading presents:

Automation in Trading: How We Got Here and What's Next

The past 15 years has been a nonstop surge of improvement in efficiency and automation in the world's markets. Come learn about the concerted efforts of technologists and traders from firms trading everything from Apple to soy beans, and their work to drive the trading systems of tomorrow to the logical human-less conclusion. As always, we'll have FREE food & drinks available.

DATE: Thursday, September 11th

TIME: 5:30-7:00 PM

LOCATION: GHC 6115
