

MOONSHOT

X

TRANSPORTATION

IMAGINE THE FUTURE

Monday, Oct 29th, 6-8pm
Simmons Auditorium, Tepper Quad

Want to launch or work on a new business idea in the transportation space but not sure about how to go about it? Interested in meeting CMU students from around campus? Want to learn more about the future of transportation from Pittsburgh's transportation innovators?

Moonshot is an event devoted completely to ideation. The goal is to bring together CMU students interested in generating ideas that could be transformed into the next big, actionable idea in the transportation space.

At the event, students will be randomly placed into groups, dive into the ideation processes, and tasked with delivering one moonshot idea.

Pitch your team's idea to a panel of judges for a chance to win \$250!
