CMU Tech Talk

In-Memory Aggregation with Oracle's Database

Ajit Mylavarapu, Senior Development Manager

Data Engine Group

Monday, February 26, 2018 at 4:30pm

Rashid Auditorium - Gates Hillman 4401

Come enjoy delicious food, meet CMU alums working at Oracle, and learn about the exciting things we're doing!

Bring your resume!

At Oracle, we've revolutionized the tech industry by doing things no other company has done before. And now we're applying an equally far-sighted approach to employment. We look forward to meeting you.
