

MONEY FOR INNOVATORS!

November 14, 2024

12:00-1:00 PM

Gates-Hillman Center 4405

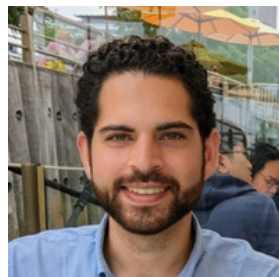

Project Olympus wants to give you money to help you start a company. Hear from graduate student entrepreneurs (just like you!) who are building companies with Olympus support.

Register to Attend:

There will be pizza!

Jay Reddy, Founder
Advanced Optronics
Panelist for Event

"As a PhD student interested in entrepreneurship, the ICF program allowed me to investigate my translational research ideas while still pursuing my degree, and set me up to secure funding and launch my company after graduation."
