

Alumni Meet-and-Greet

Big Burrito Catered Event!

Sandia
National
Laboratories

Apply online:
sandia.gov/careers

Monday, September 9

7:00pm – 8:00pm

6142 Scott Hall

Speaker:
Dr. Paul Chao
Materials Science and Engineering

Dr. Paul Chao graduated from Carnegie Mellon University (MSE, BS '16) and is currently at Sandia National Laboratories. He also holds a Ph.D. in Materials Science and Engineering from the University of Michigan and he will give an overview of the opportunities at Sandia and share some perspective from his career journey.

BRING RESUMES!

For all interested B.S., M.S. and Ph.D. engineering and science students. Many positions open for internships, co-ops, and full-time employment.

Most positions require U.S. Citizenship.

sandia.gov/careers

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, or veteran status and any other protected class under state or federal law.

Sandia National Laboratories is a multimission laboratory managed and operated by National Technology and Engineering Solutions of Sandia, LLC., a wholly owned subsidiary of Honeywell International, Inc., for the U.S. Department of Energy's National Nuclear Security Administration under contract DE-NA-0003525.
