

Join our Expanding Department

The Department of Computer Science and Engineering has several faculty positions open and invites qualified candidates to apply. We are particularly looking for candidates who can operate effectively in a diverse community of student and faculty and share our vision of helping all constituents reach their full potential.

- SUNY Empire Innovation Professor (EIP) in AI/Autonomous Systems
- Assistant, Associate and Full Professor
- Assistant Professor of Teaching (Lecturer)

Research Highlights

- Research expenditure has grown from \$4.5M (AY 2015–2016) to \$6.3M (AY 2019–2020)
- Awarded nine NSF grants in 2020 totaling \$2.9M
- Awarded \$10.7M in new research awards 2019–2020
- CSE faculty are leading the charge in cutting-edge research and developing innovative technologies and solutions

Department Quick Facts

- More than 40 tenure-track faculty and 12 teaching faculty
- Eight faculty members are IEEE and/or ACM fellows
- Five junior faculty received NSF CAREER awards in 2019
- ABET-accredited BS programs in Computer Science and Computer Engineering
- Ranked #1 in Mobile Computing, csrankings.org 2018–2020

Job Openings

The Department of Computer Science and Engineering at the University at Buffalo invites candidates to apply for the positions of SUNY Empire Innovation Professor in AI/Autonomous Systems, Assistant, Associate or Full Professor, or Assistant Professor of Teaching (Lecturer).

Minimum Required Experience

The successful candidate will be expected to teach courses in computer science and computer engineering at the graduate and undergraduate levels, advise students at all levels and mentor graduate students, and maintain an active research program.

All candidates should hold a doctorate in computer science, computer engineering or a closely related field. PhD must be conferred prior to appointment.

EIP and Professor candidates must demonstrate excellence in research, teaching, service and mentoring. Candidates should be internationally recognized scholars as evidenced by peer-reviewed publications, citations and a sustained externally-funded research program.
