

Wolfram Technology Seminars Carnegie Mellon University

"...What you'll learn
in 15 minutes
can save hours
and days of effort..."

WEDNESDAY, MARCH 21

Noon–1pm (includes Q&A)
Room 6501, Gates Hillman Centers
(Traffic 21 Conference Room)

5pm–6pm (includes Q&A)
Room 4303, Gates Hillman Centers (McWilliams eScience Video Facility)

Mathematica and Wolfram|Alpha in Education and Research

During this free seminar, we will explore using Mathematica and Wolfram|Alpha for a wide variety of practical and theoretical applications across a variety of disciplines. Attendees will not only see new features in Mathematica 11 and Wolfram|Alpha, but will also receive examples of this functionality to begin using immediately. No experience with Mathematica or Wolfram|Alpha is required, and students are encouraged to attend.

To find out more, please contact Andy Dorsett at
