

Pre-Class Survey 2 (CONFIDENTIAL)

In this survey, please list anyone who you would NOT be comfortable being placed in a small discussion group with. We will do our best to ensure that you are not grouped with anyone whose name you write down. It will not be obvious in class, based on the groupings, who responded what to this question.

The result of this survey will go to the FACULTY INSTRUCTOR ONLY. Your response is confidential and no-questions-asked.

- 1. Is there anyone in your PhD cohort that you are not comfortable being in a discussion group with?
