Dear Dr. Eckhardt:

The Office of Elections is a Division of Administrative Services. This department is in receipt of your letter submitted to the Board of Elections on June 12, 2006 requesting specific information related to electronic voting. This office is compiling relevant data. Since your questions resemble those posed by the Secretary of the Commonwealth, our goal is to respond to you by July 6, 2006 in accordance with the State's request. The actual response will likely be a general response sent from the County Solicitor which includes answers to your questions as well as similar questions submitted to the Administration by others.

Should you have any questions contact me at 412-350-6109.

Sincerely,

/s/ T. H. Johnson
