Bibliography on the Event Calculus

This, like any bibliography, is incomplete. Any corrections, updates, comments, suggestion, new entries, new URL's for papers, etc. are very much appreciated. In particular, help us filling the "??". Please, send feedback to the maintainers.

This document is available in the following formats:

- BibTeX: `http://www.cs.cmu.edu/~iliano/ecbib/ec.bib`
- Html: `http://www.cs.cmu.edu/~iliano/ecbib/ecbib.html`
- Postscript: `http://www.cs.cmu.edu/~iliano/ecbib/ecbib.ps`
- DVI: `http://www.cs.cmu.edu/~iliano/ecbib/ecbib.dvi`

This bibliography is currently maintained by Iliano Cervesato (*iliano@cs.cmu.edu*).

Last modified: March 11, 1997.
