YOUNG RESEARCHER'S ROUNDTABLE
on SPOKEN DIALOGUE SYSTEMS

September 13th-14th

2009 **LONDON**

Queen Mary
University of London

The Young Researcher's Roundtable on spoken Dialogue Systems is an annual workshop for students, post-docs and junior researchers. It is an open forum to discuss research interests, current work and future plans. YRRSDS '09 will feature: a senior researcher panel, a demo and poster session, and a special session on Frameworks and Grand Challenges for Dialogue system Evaluation.

To participate, send a short position paper (1-2 pages) by June 30th.
